Dr. Zoo
2.Logline
Yuma Zusho is a 32-year-old resident doctor. He used to be a veterinarian in England, but decided to return to Japan and become a doctor who treats people. Believing that both medicine and veterinary science will progress if the barriers between them are broken down, he uses the knowledge he gained as a veterinarian to solve the mysteries of the human body and mind. His partner is Ayaka Mochizuki, an unsociable female doctor who has the nickname “medical robot”. Is there a hint of love between her and the unconventional doctor?
