1.Title

The World Isn't Waiting for You –Mojomojo–

2.Logline

A woman who isn't popular with men is called a *mojo* (femcel) . In many cases, this means being in mint condition (a virgin) with the number of years without a boyfriend being equal to their age. I want to make a movie peppered with laughter that vividly depicts the unfulfilling lives of these femcels, their sense of fellowship, and friendships. Even if you aren't popular with men, even if you're full of self-deprecation, even if there's no tomorrow for you—go for it, Ms. Mojo!
